“YOU FALL, WE HAUL”

About Us

The mission of The Patrol Fund is to provide educational opportunities and financial assistance for winter enthusiasts to further their snow safety awareness and wilderness first aid knowledge.

During the past few decades this region had seen a marked increase in backcountry winter recreation without a corresponding increase in educational offerings. In response to this need The Patrol Fund started a Scholarship Program and created our Avalanche Education Program.

The Patrol Fund's Scholarships provide annual opportunities for six members of our community to attend wilderness medicine and snow safety courses. This program is funded by t-shirt sales, corporate sponsorship, the annual patrol fundraiser, and donations from our community members.

SCHOLARSHIP OPPORTUNITIES

APPLY AND ATTEND FOR FREE!
